Flex Pharma, Inc. intends to send the following communication to certain of its stockholders beginning on or around May 10, 2019.

Dear [name],

I hope you and yours are doing well this spring.

We at Flex Pharma are excited about the pending merger of a subsidiary of Flex and Salarius Pharmaceuticals, and we are working hard to prepare for a smooth transition. By now you should have received your proxy materials detailing the planned merger, along with the information required to vote your shares. Please let us know if you have not.

Flex's Board of Directors unanimously recommends voting "FOR" each of the four proposals detailed in the proxy materials, which relate to the merger with Salarius. We would very much appreciate your support, and votes "FOR" each of these proposals.

One of the conditions to consummating the merger is that Flex's shareholders approve proposals 1, 2 and 3, as more fully described in the proxy materials.

If you have any questions on any of the information provided in the proxy materials, or the merger, or the process of voting your shares, please let us know and we would be happy to help.

Thank you again for your time and support.

Kind regards,

[name]
